

Robina Central

Location 8 Laver Drive, Robina, QLD 4226
Sector Retail
Value \$14 Million
Client Robina Central Management Pty Ltd

Kicking off in April, 2022 the Robina Central project established a dynamic multi-tenanted Commercial Development to serve as a cornerstone for the community. The current site, spanning 13,200m², houses well-known tenants such as, Aldi, Ampol, GYG, Starbucks, and Medcentre.

The project presented complex challenges, particularly around the design and delivery of slip lanes accessing from both Robina Parkway and Laver Drive. The intricacies of re-routing essential services such as NBN, Telstra, Optus, APA Gas, Energex, and water mains added layers of complexity to the challenge. Yet, despite labour shortages, rising material costs, and heavy rainfall, the resourcefulness of our site team shone through, bringing the project to a successful completion by March 2023.

The Robina Central development acts as a catalyst for Robina's economic vibrancy, seamlessly integrating itself into the community by offering locals a centralised hub rich in convenience for shopping, healthcare, and culinary experiences.

Building Features:

- Multiple well-known tenancies
- 600m² awnings & bin rooms
- Concrete hardstand
- Loading dock
- 2 x slipway crossovers
- 121 parking spaces - Inclusive of disabled spaces.
