

Interciti Plaza

Location Ormeau, QLD
Sector Mixed Use - Retail & Commercial
Value \$14 Million
Client Zupp Property Group

The Interciti Plaza project marks a significant milestone as the first collaboration with client, Zupp Property Group. The site spans approximately 6,500m² and features a three-storey building designed for both retail and commercial use. It includes an elegant walkway entry, a large car park, and energy-efficient LED lighting throughout. Advanced security measures and high-quality materials ensure a safe and durable structure, all while being situated in a prime location with modern amenities.

The project overcame significant challenges, including challenging site conditions, weather delays and coordination issues with complex design. Despite these obstacles, our team implemented robust all weather preservation measures to negate the impact of the weather and rescheduled the construction works to mitigate delays where possible.

Key Features:

- Three-storey building
- Elegant walkway entry
- Large car park
- LED lighting throughout
- Advanced security measures
- High-quality materials and finishes
- Multiple tenancies for retail and commercial use
- Energy-efficient design
- Prime location in Ormeau, Gold Coast
